

Healthy Homes Dorset

Free and impartial energy-saving advice.

Healthy Homes Dorset helps people live in warmer, healthier homes with lower heating bills.

We can help you access funding for insulation for your home, and ensure you're on the best energy tariff. And we can give you advice on how to keep your home warmer for less.

You can ring us on **0300 003 7023** (charged at local-call rates)

And if **any** of the following applies to you, you may be entitled to **free loft and cavity wall insulation**.

- Cardiovascular condition
- Respiratory condition
- Mental health condition
- Disability
- Aged 65 or over
- Child under 5 years
- Pregnancy
- Addiction
- Attended hospital due to a fall
- Recent immigrant and asylum seeker
- Low income

If you don't want to call us, simply fill in your details on the other side of this leaflet and send it to us.

One of our energy advisors will contact you soon.

Stay warm and well this winter ...
