HAVE  
YOUR SAY

## CB3 Beaminster Community Bus

Run by our brilliant local volunteers since 2018 and supported by Beaminster Town Council.

The popular service provides a connection between **Crewkerne, Beaminster and Bridport, via local villages, and runs on Saturdays**

We would love to know how important the CB3 is to users and to the Town. Feedback is important to give us an overall idea of how the service is viewed and also to help us gain funding in the future. If you could take a minute to complete this quick survey, we would be very grateful

### To complete the survey
