

Get better connected with the **Digital Hotline**

- Unsure how to use a smartphone?
- Want to make video calls but don't know how?
- Have a laptop or tablet but not sure how to use it?
- Nervous about online shopping or using website services?
- Need help with setting up virtual meetings or lessons?

Whatever's stopping you getting online, our Volunteer Digital Champions are waiting to help you. No problem is too big or too small.

There are also face-to-face sessions in some libraries and community centres – call the hotline to find out where and to book.
